

**Mr. Shilongo Shilongo**

## **MR. SHILONGO SHILONGO**

### **FOUNDER & CEO, BMFIVE MULTI-NATIONAL COMPANY**

**Professional Summary:** Mr. Shilongo is a seasoned expert with nearly two decades of experience in the precious minerals and metals industry. He began his career as a technician and plant operator in Lüderitz's diamond mines, gaining extensive knowledge in cutting-edge extraction technologies. Fluent in eight languages, he has successfully expanded BMFIVE's operations internationally, with significant presences in the USA, Botswana, and Namibia.

#### **Professional Experience:**

##### **BMFIVE Multi-National Company**

###### *Founder & CEO*

- Established BMFIVE, which now has an international presence in the USA, Botswana, and Namibia.
- Bridged the gap between American investors and the extractive industries, creating a secure, low-risk, high-reward trading platform.
- Under his leadership, the company has experienced remarkable growth and diversification, becoming a significant player in the global precious minerals and metals market.

##### **Diamond Mining in Lüderitz**

###### *Technician & Plant Operator*

- Gained first-hand knowledge of cutting-edge extraction technologies and effective business practices.
- Specialized in offshore marine mining, deep-sea mining, alluvial mining, and open-pit mining techniques.

#### **Political & Social Engagement:**

##### **Presidential Candidate for 2024 National Assembly and Presidential Election**

- Committed to addressing Namibia's high poverty rates, unemployment, public debt, corruption, and shortages of essential services.
- Platform focuses on leveraging experience in the mining industry to drive economic growth, create jobs, and ensure equitable resource distribution.
- 

#### **Social Responsibilities in Namibia**

- Attracted investors to Namibia's mining and education sectors, promoting global education programs to revolutionize the education system, particularly in rural areas.
- Leveraged technology to provide vulnerable children with access to online education and free learning platforms.

**Languages:** English, Spanish, Portuguese, Italian, Afrikaans, Oshikwanyama, Oshindonga, Lukwangari

#### **Key Associates:**

- Five-star Gold Refinery DESIRAH
- SEMLL THE DIAMOND DISTRICT
- TDD INVESTMENT.LLC
- DESIRAH DIAMOND BLOCKCHAIN

#### **Leadership Attributes:**

- Strategic thinking and unwavering commitment to excellence
- Hands-on approach to business operations
- Integrity, vision, and a deep commitment to serving the public interest

**Vision:** To inspire, unite, and uplift communities, leading by example and setting a new standard for governance in Namibia, while driving Namibia towards new horizons and addressing the pressing issues facing the nation.
